Everyone wants a copy!

How can I [understand] unless someone explains it to me? ~ Acts 8:31

The Angolan Assemblies of God celebrated its 57th anniversary in August! That is quite an achievement considering that the recent history of the country has been dominated by 4 decades of war. During those years, however, God showed Himself faithful and the life and growth of the national church bears witness to this fact.

The anniversary celebration included a 27,000 strong service in a Luanda soccer stadium and the launch of the Portuguese-language *FIRE* Bible. Church leaders excitedly received the first copies of these Bibles from our colleagues, Harry and Beth Osland, and a small team from the United States. Study resources such as the *FIRE Bible* have previously been nearly inaccessible, but now that they are available **everyone wants a copy!**

Since its initial presentation the *Fire Bible* has been introduced to scores of pastors who are receiving instruction through *Roots of Faith*, a foundational Biblical training program for Angola. Presently more than 1,000 pastors are diligently studying in these classes and the projected future enrollment is 10,000!

Spiritual hunger and sound Biblical training are elements of a strong, healthy church. Today in Angola, pastors and church leaders are eager to study. The people are hungry to know the Word of God. From every corner of the country they are asking for someone to come and explain to them these words of life.

The apostle Phillip found a similar spiritual hunger in an African man on a desert road south of Jerusalem (Acts 8). This man was sitting in his chariot reading the book of Isaiah when he asked Phillip, *"How can I [understand] unless someone explains it to me?"* So he invited Phillip to come up and sit with him.

Thank you, friends, for your prayers for these pastors and the church of Angola. Thank you for giving funds that Bibles and study materials can be placed in the hands of our brothers and sisters in Africa. Thank you for your faithful support of our family as we continue with our language studies in Portugal in preparation for our 2010 arrival in Angola.

God bless you,

Dan and Danita
